NETNPA February Update

Recent job postings:

Sue Reed is planning to join JCDC (Johnson City Downtown Clinic) in August and is eligible to resume full-time work. Then, the clinic really needs an interim clinical director, ideally full-time, but even part-time would be helpful. The position is administrative and would include very little clinical work. The position is recently retired or just working part-time. The position is administrative and would include very little clinical work. **contact: Nancy M. Alley, PhD, RN Associate Dean, College of Nursing East Tennessee State University, Johnson City, Tennessee 37614 423-439-5626**

Cardiovascular Associates has some openings for NPs. If interested, **please contact Cindy Edwards at 423-439-5626**. Full time (or two part time to job share) NP wanted at JMH Sleep Diagnostics Center, the first accredited sleep center in Johnson City. Medical Direction would be provided by Dr. Emory H. Robinette, who is currently boarded in Sleep Medicine. The NP would be on call through Friday with occasional educational programs at night or on the weekend for the community. The NP would be instrumental in working with programs to include: Identification of Patients, for Pre Surgical Screening, Preoperative Management and Coordination of PAP Outpatient Outcomes Clinic, Coordination of Referrals for Follow-up. The NP would also be very active in the areas of patient advocacy, patient and medical provider education and research. Additional education related to sleep medicine would be provided to the NP. **may be interested may contact: Robin C. Wilson, RRT, CPFT CardioPulmonary Services Job Manager, JMH Sleep Diagnostics Center, 1000 West Street, NE Abingdon, VA 24210; 276.676.7184 voice; rwilson@jmha.org**
