

**December 2<sup>nd</sup> – An Update on Homeless Children in Orange County**

Presented by **Eric Handler, MD**

*Orange County Health Officer*

Presented by **Paul Leon, PHN**

*Public Health Nurse/Executive Director of Illumination Foundation*

**Objectives:** At the conclusion of this presentation, participants will be able to:

1. Describe the healthcare needs of the homeless and how the Comprehensive Health Assessment Team for the Homeless brings physical and mental health assessment, triage, Referrals and case management to where the homeless can be found.
2. Volunteer to provide health care services to homeless children in Orange County.
3. List two community organizations that partner to provide medical and/or social services to the homeless as a complement to CHAT-H services.
4. Use the information learned relative to various components of cultural diversities/linguistics.

**December 9<sup>th</sup> – Prevention of Early Childhood Caries**

Presented by **Richard D. Udin, DDS**

*Program Director, Advanced Pediatric Dentistry, USC School of Dentistry*

**Objectives:** At the conclusion of this presentation, participants will be able to:

1. Assess the demographic patterns of dental caries in children, nationally and in California as it relates to their patients. Increase the proportion of low-income children and adolescents under the age of 19 who receive any preventive dental service each year to 66%.
2. Conduct risk assessment and provide anticipatory guidance to be incorporated into an oral health program for infants and very young children.
3. Apply new preventive strategies for the infant and very young child and his/her parents.

**December 16<sup>th</sup> – How Doctors Think: Implications for Clinical Care & Teaching**

Presented by **Stuart J. Slavin, MD, MEd**

*Professor of Pediatrics, St. Louis University School of Medicine*

*Associate Dean for Curriculum, St. Louis University School of Medicine, St. Louis, MO*

December 23<sup>rd</sup> – **NO GRAND ROUNDS**

**HAPPY HOLIDAYS!**

December 30<sup>th</sup> – **NO GRAND ROUNDS** – Happy New Year!

Wednesdays 8:00 - 9:00 a.m.

*Harold Wade Education Center, 2<sup>nd</sup> Floor CHOC West Clinic Bldg., 455 S. Main Street, Orange, California, 92868*

These activities are in compliance with **California Assembly Bill 1195** which requires continuing medical education activities with patient care components to include teaching in the areas of cultural and linguistic competency.

**Target Audience:** Primary care pediatricians. Family practitioners, pediatric subspecialists, pediatric residents and other healthcare professionals involved in the delivery of care to infants and children are also invited.

**Accreditation:** CHOC is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. CHOC takes responsibility for the content, quality and scientific integrity of this CME activity. CHOC designates this educational activity for a maximum of 1.0 hour of *AMA PRA Category 1 Credit™*. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

For further information, please call the Academic Affairs Office at (714) 532-8894 or (714) 532-8430.

Financial Disclosure – No Commercial Support was received for the above activities.
