4. Use the information learned relative to various components of cultural and linguistic competencies (State Required AB1195).

November 24th – NO GRAND ROUNDS

Wednesdays 8:00 - 9:00 a.m.

Harold Wade Education Center, 2nd Floor CHOC West Clinic Bldg., 455 S. Main Street, Orange, California, 92868

These activities are in compliance with **California Assembly Bill 1195** which requires continuing medical education activities with patient care components to include teaching in the areas of cultural and linguistic competency.

Target Audience: Primary care pediatricians. Family practitioners, pediatric subspecialists, pediatric residents and other healthcare professionals involved in the delivery of care to infants and children are also invited.

Accreditation: CHOC is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. CHOC takes responsibility for the content, quality and scientific integrity of this CME activity. CHOC designates this educational activity for a maximum of 1.0 hour of **AMA PRA Category 1 Credit™**. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit October also be applied to the CMA Certification in Continuing Medical Education.

Financial Disclosure – No Commercial Support was received for these activities.
