Legislative Action Committee
VNPA Contribution Form

VNPA-LAC needs you, NOW, more than ever!!

VNPA members have a significant opportunity to put Policy into Action by contributing to VNPA's Legislative Action Committee (LAC). It is critical that the views and priorities of VNPA members are communicated to Congressional leadership to ensure development of sound regulatory policy impacting health care and nurse practitioners. Your support does make a difference.

By contributing to VNPA-LAC you are helping to make certain that the interests of VNPA members are represented on the state and federal level. Do your part to ensure that NPs make an impact in 2010/2011.

Thank you for your support,

The Committee for VNPA-LAC
