

UMDNJ Research Study

# Have you ever been the victim of unwanted sexual contact?

We are looking for participants who are interested in taking part in this study.

If you are **between the ages of 18 and 64** and have experienced any **unwanted sexual contact**, you may be eligible to participate in an important research study. This study is open to all genders.

Please visit our website for more information and confidential access to the study

[www.violenceawstudy.com](http://www.violenceawstudy.com)

Your responses will be anonymous

A research registry is also being created for those people who may be interested in participating in other future studies.

For more information, please contact  
Carrie M. Carretta, PhD, APN, AHN-BC,  
Principal Investigator at 866-784-9202.

From outside the U.S., please dial the appropriate international code  
for calling the U.S. from your area, followed by 732 784 2891.
