*Sponsored by
Utah Nurse Practitioners*

Utah Nurse Practitioners 21st Annual Pharmacology Conference

Course Overview

This course is designed to meet the continuing education needs of nurse practitioners. There will be an intense review of and update on pharmacological agents.

Discussion of drugs and treatment modalities related to specific illnesses will be addressed, including drug:

- Actions
- Indication
- Contraindications
- Adverse Effects

Speakers at this conference will include nurse practitioners and other clinicians who are experts in their respective fields of practice.

Exhibitor Information

We invite you to join us May 16-17, 2014 at the **Zermatt, 784 West Resort Drive, Midway, Utah 84049.**

Participants will have time to meet with exhibitors throughout the conference:

Friday: Grand opening of the exhibit hall,
networking lunch, and afternoon break
Saturday: Two morning breaks

Exhibits may be set up on Thursday, May 15th at 6 pm.

All exhibitors will receive recognition for their contribution:

1. Exhibitors will be listed in the Conference Brochure
2. Exhibitors will be included in the Conference Syllabus
3. Exhibitors will be listed on signage throughout the conference
4. Exhibitors will receive recognition in Utah Nurse Practitioners Newsletter
